

Hello and welcome dancers! We are so excited that you are joining us today. Today was created just for YOU. It is our hope that through today's classes and conversations that you get a taste of not only our dance program and spaces, but the students and dance faculty that bring them to life and that we hope you will consider being a part of! Because of COVID, today is fully online as is our dance audition. The last master class walks you through this process and also gives you a larger view of our program in terms of its majors, its curriculum, and the dance opportunities in both. If you have any questions, please reach out to me directly at Julie.Hammond@usm.edu.

Again, we hope you enjoy taking part in today's events as much as we enjoyed planning them for you!"
